Collections

Welcome to HASTAC's Collections! This is a brand new feature of our site which allows the curation of any content on hastac.org as well as links to external sites. Collections are currently in beta and are only available to staff curators. We are working to open up curating to all HASTAC members as soon as we can.

Digital Badges

What are badges? The world is changing fast and, today more than ever, traditional modes of assessment fail to capture the learning that happens everywhere and at every age.

Digital badges are a powerful new tool for identifying and validating the rich array of peoples' skills, knowledge, accomplishments and competencies. Digital badges inspire new pathways to learning and connect learners to opportunities, resources, and one another.
