Hardware

✦ CPU

✦ RAM

✦ SSD

Configure your Mac Pro

[Hardware](#) | [Pre-Installed Software](#) | [Service and Support](#) | [Accessories](#) | [Printers](#)

Hardware

Processor

Get amazing performance from the Intel Xeon processor, which features four or six processor cores on a single chip.

[Learn more](#)

- One 3.2GHz Quad-Core Intel Xeon processor [Subtract \$500.00]
- One 3.33GHz 6-Core Intel Xeon processor

Memory

The single-processor Mac Pro supports up to 32GB of DDR3 ECC SDRAM memory in four slots. Choose more memory to improve overall system performance.

[Learn more](#)

- 6GB (3x2GB) [Subtract \$975.00]
- 8GB (4x2GB) [Subtract \$900.00]
- 12GB (3x4GB) [Subtract \$750.00]
- 16GB (4x4GB) [Subtract \$600.00]
- 32GB (4x8GB)

Hard Drive - Bay 1

Your Mac Pro includes four drive bays, allowing you to configure it with up to 8 terabytes of storage using 7200-rpm Serial ATA 3Gb/s drives, up to 2 terabytes of storage using high-performance solid-state drives, or any combination of each type of drive. Configure each drive bay separately.

[Learn more](#)

- 1TB 7200-rpm Serial ATA 3Gb/s hard drive [Subtract \$850.00]
- 2TB 7200-rpm Serial ATA 3Gb/s hard drive [Subtract \$750.00]
- 512GB solid-state drive

Hard Drive - Bay 2

Configure the second drive bay with an additional hard drive or solid-state drive.

Welcome

We bring the power of Drupal software to the yearning public of **San Diego, CA**. We have two meetings each month where we discuss everything Drupal, at all levels from beginner to Drupal ninja. Join the group online and subscribe to our notifications, and come enjoy the meetings:

Central San Diego:
 Hall of Champions, Balboa Park Second Wednesday each month, 7 pm

Carlsbad (North County):
 Museum of Making Music, NAMM campus Last Thursday each month, 7 pm

SANDcamp January 24-26:
[Ezra Gildesgame](#) is the keynote speaker, planning session listed in events. All are invited to plan, sponsor, volunteer and attend!

Meetup.com:

The image shows a screenshot of the Drupal 7 Administer page. The top navigation bar includes links for Dashboard, Content, Structure, Appearance, People, Modules, Configuration, Reports, and Help. The user is logged in as 'admin'. The main content area is titled 'Administer' and is organized into several sections: DASHBOARD, APPEARANCE, PEOPLE, MODULES, and REPORTS. A large red 'X' is drawn over the entire screenshot, indicating that the keyboard shortcuts listed are not applicable.
